

Due **week two**:

1. A copy of two “model papers” that you wish to use as a manuscript template throughout the semester. **(10 points)**

Research manuscript writers should bring peer-reviewed journal articles from reputable journals.

Also bring the “Instructions to Authors” (found online)

Proposal writers should bring a copy of a proposal copy obtained from an advisor.

Attributes of a “model paper”

- a. It explains research related to your own.
- b. It uses methods similar to those you use.
- c. It is of similar length to your eventual manuscript.
- d. It is informative and interesting to you.
- e. It appears in the journal in which you would like to publish.
